Focus Area: Well Being of Self and Community (SEL/Restorative Practices) (Faculty/Department - Supervision)

## Goal(s): SEL

Staff in K-3 will implement Caring Communities into multiple classrooms/settings to provide access to tier 1 SEL instruction in grades K-3.
Staff will continue to grow knowledge of restorative practices to implement within their classroom settings.
Staff in grades K-3 will use a behavior referral to support data collection of behavioral needs and support students with restorative practices.

Create a schedule of meetings to support implementation across classrooms

- Use of OneNote to document supports, strategies and students social/emotional needs
- Use SES Squad as a Tier 1 intervention to support classroom teachers in implementing Tier 1 plans

Focus Area: Implementation Systems (curricular or instructional shifts/grade level transitions/professional growth)
Goal(s): All students who are in Tier 3 from assessments used in the district will be met on using the IST/PST process, ensuring that all students, including students in sub-groups are addressed during the IST/PST process.

IST/PST meetings will focus on the whole child.
